

APM TERMINALS ZEEBRUGGE

- Within APM Terminals Zeebrugge our goal is clear:

NO
Accidents
Harm to people
Security breaches
Environmental damages
Safety for Life

- We are committed to achieving the highest professional standards relating to Health, Safety, Security and Environmental performance. We will ensure HSSE compliance with applicable laws and regulations, at a local, national, and international level.
- Within APM Terminals Zeebrugge everybody is accountable for HSSE.
- We require on our terminal that all Vendors, Contractors and Stakeholders operate in accordance with our HSSE Policy and guidelines.
- We strive towards HSSE excellence and will always protect the health and safety of our employees.
- We avoid harming the health, safety and environment of the community in which we operate.
