

APM Terminals

FY 2022 Company Fact Sheet

Lifting Global Trade

At APM Terminals, our aim is to be the port services and container terminal solution provider of choice for our customers.

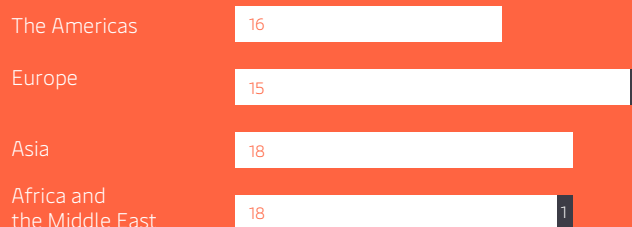

We take a continuous improvement approach to operations and service delivery in order to provide the most efficiency to customers' supply chains.

We invest in and optimize our portfolio to be in the locations where consumers need us most.

We are part of A.P. Moller – Maersk, an integrated container logistics company and member of the A.P. Moller Group. Connecting and simplifying trade to help our customers grow and thrive.
