Seafood Trade meet at Diu

APM Terminals Pipavav hosted a Seafood Trade Meet at Diu in September 2018. More than a hundred stakeholders including Shippers, Shipping Lines, Forwarders as well as senior representatives from Customs attended the event. Mr. Keld Pedersen, MD APM Terminals Pipavav shared new initiatives like Express Gate In for Reefer Trailers, Readiness of the Reefer Inspection Chamber for Customs Examination/ Re working; implemented by the Port based on the feedback received from stakeholders. He assured continued efficient port operations for the upcoming Seafood season.

Reefer Inspection Chamber

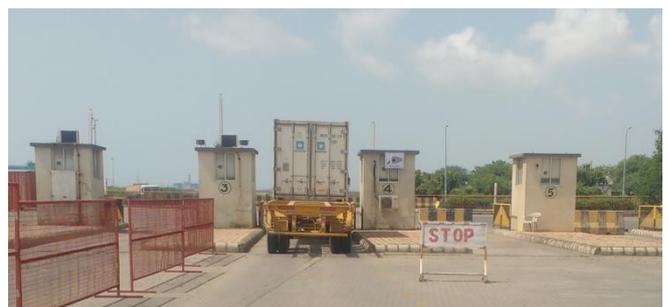

APM Terminals Pipavav is delighted to inform the development of a Reefer Inspection Chamber which will serve as a dedicated facility for our customers to enable inspection and reworking of cargo in a climate controlled environment and avoid exposure of high value cargo to dust or humidity.

The infrastructure includes a 40 feet air tight Central Refrigerated Compartment with adequate safety controls. The Reefer container under inspection/ reworking can be directly connected to the Compartment on trailer and necessary work can be done. This facility would be made available for customers during this reefer season. This is aligned towards our motto of "CUSTOMER FIRST".

Reefer Express lane at port

We are pleased to announce the commencement of reefer cargoes express lane at our terminal gates from October 2018. This will help faster movement of reefer trucks through the port. The customers can fill e form 13 online which will address smoothening of document formalities. The dedicated reefer lane will facilitate faster turnaround for reefer trailers at the port. This is a step towards addressing our customers' request in providing preferential entry to reefer cargos.

CWC and CONCOR logistic facility at Pipavav port

AHMEDABAD: In order to operate CFS facility of Central Warehousing Corporation located at Pipavav Port, Container Corporation of India and Central Warehousing Corporation have entered into an agreement to form a Joint Working Group (JWG). This agreement is for the mutual benefit and to promote and meet the growing needs of Exports, Imports and Domestic business situated in and around Pipavav Port as well as to fulfil the Multimodal Transport requirements of the Country in general, said a media statement from CONCOR.

CONCOR and CWC sign agreement to operate CFS facility at Pipavav Port

Record outward Double Stack trains handled

APM Terminals Pipavav achieved a new benchmark on 13th September 2018 in handling the highest outward double stack trains in a day. The team handled 10 double stack outward trains in a single day surpassing our earlier record of 9 double stack trains in February 2018. The Sr. Divisional Operations Manager, Bhavnagar division (Western Railways) expressed his appreciation through official letter for our, “planning and efforts,” and commended the team’s excellent performance.
