

APM T Barcelona: Container Photos

“We help our customers to verify the container status and condition by providing container photos”

Benefits:

- ▶ Verify status/condition of the container
- ▶ Possibility for last minute interventions
- ▶ Cost savings in the event of needed intervention

Please contact our Customer Service department for any further information

atencionclienteBCN@apmterminals.com

“Providing visibility on your container’s condition”

We offer the possibility of positioning your container in a safety zone and taking photos from all 4 sides.

Request Process:

- ▶ Please share your request via our website on the following link:
 - ▶ www.apmterminals.com/es/barcelona/services/container-photos
- ▶ Please include the following information:
 - ▶ Container Number
 - ▶ ETD or ETA

Other comments:

- ▶ Roof or floor photos are not included but can be requested. Surcharge per photo applies.

x4 (1 per side)
