

APMT Barcelona: Duo trailer delivery / reception operations

“We care about our environment and adapt our container Terminal to the future transport trends”

Benefits:

- ▶ Savings in transport operations for all parties involved in the supply chain process.
- ▶ Efficiency and safety during operations inside our facilities.
- ▶ Environmental commitment

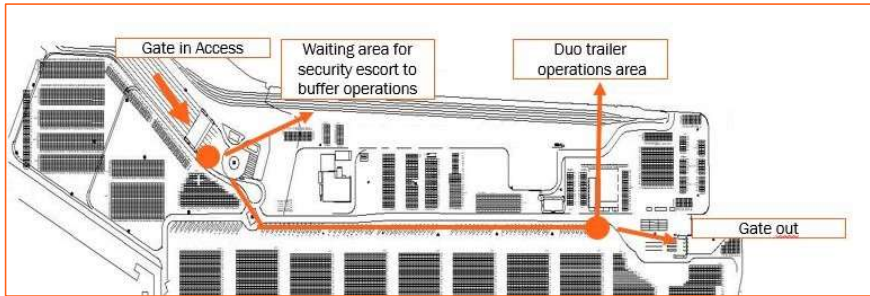

Please contact our Customer Service department for any further information atencionclienteBCN@apmterminals.com

“We are committed with a sustainable transport management”

In order to promote increasingly ecological and sustainable behavior for landside transport, APM Terminals Barcelona provides a Mega Truck and Duo trailer delivery / reception service

Requirements for DUO TRAILER OPERATIONS:

- ▶ Advice to Terminal Operations Department at least 24 hours before the operative:
 - ▶ Carlos.diaz@apmterminals.com
 - ▶ PlanificacionBCN@apmterminals.com
 - ▶ PuertaBCN@apmterminals.com
- ▶ Access to terminal as per standard gate in and out, but escorted by Security staff once inside Terminal facilities:

Documentation process:

- ▶ All standard documents to enter terminal (*entreguese / admitase*) as well as pre advice of arrival to Terminal must be managed through PORTIC.
- ▶ PIN Code is required to access to Terminal, following standard process.
