

**SCHEDULE OF RATES AND GENERAL TERMS & CONDITIONS FOR VGM SERVICES AT
APMT GIJÓN FACILITIES**

Valid from 01.01.2022 until 31.12.2022

1. Weighting Request

The request must be received before the container enters the Terminal by truck, in the corresponding admission order. The cost of this service is **13.52 €/container**

2. VGM Communication

The container enters APM Terminals Gijón with a VGM previously sent electronically via EDI-VERMAS by the corresponding shipping line, this **operation has no charge**

3. Administrative Management

If the container enters APM Terminals Gijón with a physical document that certifies the VGM previously provided by the shipper / dispatcher (with the minimum contents required by the Resolution of 06/15/2016), it will have a charge of **6.24€/container** management administrative.

These rates are applicable for all export containers that arrive at our facilities either by truck or by rail.

It is not allowed to enter any container that does not have VGM in the terminal.
