## Cargo services

### Terminal charges on goods

*Base rate. Lease, upgrade and maintenance of terminal area and buildings.*

ISO units (container)	<i>per unit</i>
ISO units ≤ 20 ft	310 SEK
ISO units > 20 ft	439 SEK
Break bulk cargo (other cargo)	<i>per 1 000 kilos</i>
Other cargo	44 SEK

*Excluded from charges on goods are empty containers where the container is not the commodity itself.*

### Security

*Security charge covers parts of maintaining the terminal area according to international security standards.*

Security charge	<i>per unit</i>
Filled ISO units	64 SEK

### Free quayside storage

**Import** units and **storage** units have 3 working days free of Port Storage. Calculation of Import Port Storage time starts from the next day from container discharge and ends when container is gate out from the terminal. Weekend day(s) and/or public holiday(s) occurring during the free period are excluded from the calculation but will be charged for after the free period ends.

*Example: If container is discharged on Thursday, port storage will be charged as of Wednesday the week after, i.e. Friday, Monday, and Tuesday are free (first Saturday and Sunday are also free).*

**Export** and **transshipment** units have 5 working days free of Port Storage. Calculation of Port Storage time starts on the day container is gate into the terminal and ends the day before container is loaded on a vessel. Weekend day(s) and/or public holiday(s) occurring during the free period are excluded from the calculation but will be charged for after the free period ends.

*Example: Container is gate in on Tuesday and loaded on Wednesday the week after. Port Storage will be charged for 1 day, i.e. Tuesday the week after gate in. In this case Tuesday, Wednesday, Thursday, Friday and Monday free (first Saturday and Sunday are also free) as well as the day of loading Wednesday is also free.*

Temperature controlled units, units containing dangerous goods, and OOG units have the same free Port Storage terms as described above. *Important:* Additional storage surcharges apply to this type of units as per Port Tariff (see Storage Surcharges).

Following storage tariffs are applicable outside Free time:

#### Storage ISO units

After free period (per unit and calendar day)	<i>day 1-3</i>	<i>day 4-7</i>	<i>day 8-</i>
Storage ISO unit ≤ 20 ft	107 SEK	278 SEK	465 SEK

ISO units > 20 ft will be charged double the tariff rate.

### Storage Surcharges Temperature controlled units/units containing dangerous goods/OOG units

Units containing dangerous goods and/or OOG units are not charged Storage surcharges on the day of container loading or discharge and will not be debited for the first Saturday and Sunday.

Temperature controlled units are debited storage surcharges from the day of arrival until the day of departure.
