APM Terminals Gothenburg has received a notice from the union Svenska Hamnarbetarförbundet (HF) on industrial action in the form of work stoppages on two occasions in April.

The notice concerns various issues of various managerial ways, in which the union is not satisfied with the employer's procedures.

Any action shall enter into force on Tuesday, April 26, 2016 at. 07:00 and lasts for 24 hours, and Thursday, April 28, 2016 at. 07:00 and lasts for 24 hours.

At APM Terminals Gothenburg, it's important for us to have a constructive dialogue with the unions and we will respond to the issues that the union has lifted at a negotiation shortly. We will return with more information in week commencing 18 April, W16.

We are in the final stages of our upgrade work to create a new modern terminal, an investment of over 800 million. Now we continue with full focus on securing customer deliveries and further streamline operations internally to eventually achieve our vision to become the best terminal in Scandinavia
