Notice of industrial action from Svenska Hamnarbetarförbundet

APM Terminals Gothenburg has together with the Gothenburg RORO Terminal (GRT) and Logent Ports & Terminals Gothenburg received a notice from Svenska Hamnarbetarförbundet (HF) on industrial action in form of recruitment and overtime ban.

The blockade concerns the mixture of the so-called "Blixtkärer". The group of workers who are hired for a specific time when the need for additional work force occur.

Possible action will enter into force on Saturday January 30 2016 at 00:00 to Sunday 31 January at 24:00 and Tuesday February 2 2016 at 07:00 and Thursday February 4 at 07:00.

At APM Terminals, we are committed in having a constructive dialogue with the unions, which we believe we have. We have a scheduled meeting with Svenska Hamnarbetarförbundet around these issues at the beginning of next week and we hope to have a positive dialogue which allows us to clear out the questions we have. We will provide information on the outcome of these meetings in the middle of week 4.
