

Guide to calculating yard storage, yard surcharges & Swedish public holidays

The purpose of the following support documentation is to describe & visualize terminal charges mentioned in the Public Terminal Tariff. Document includes description of:

1. Yard Storage

Import Yard Storage

Export & Transshipment Yard Storage

- Export arriving via rail

- Export arriving via Gate

Transshipment

Domestic Yard Storage

2. Yard Surcharges

Dangerous goods/OOG units

Temperature controlled units

3. Public Holidays

All services provided by APM Terminals Gothenburg AB are a subject of APM Terminals "Terminal Tariff" and "Terms of business" stated at APMT website.

Please read the documents carefully.

By ordering a service, you confirm your understanding and acceptance of the terms and conditions stipulated in the "Terminal Tariff" and "Terms of business" documents."

Import - Free Yard Storage Indication

See applicable terms and prices in the [Terminal Tariff](#)

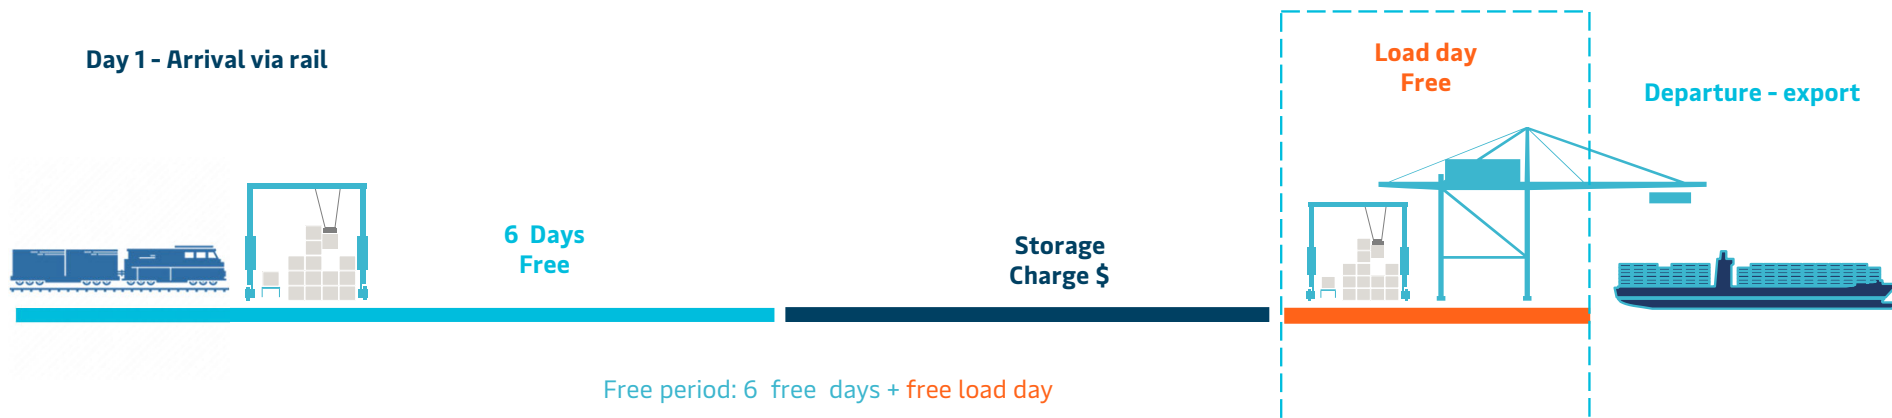

Import units have 4 days free of Port Storage. Calculation of Import Port Storage time starts day after discharge and ends when container is gate out from the terminal.

Example: If container is discharged on Thursday, then Thursday, Friday, Saturday, Sunday & Monday is free. Port storage will be charged from Tuesday until container is gated out.

Arrival via rail

Export – Free Yard Storage Indication

See applicable terms and prices in the [Terminal Tariff](#)

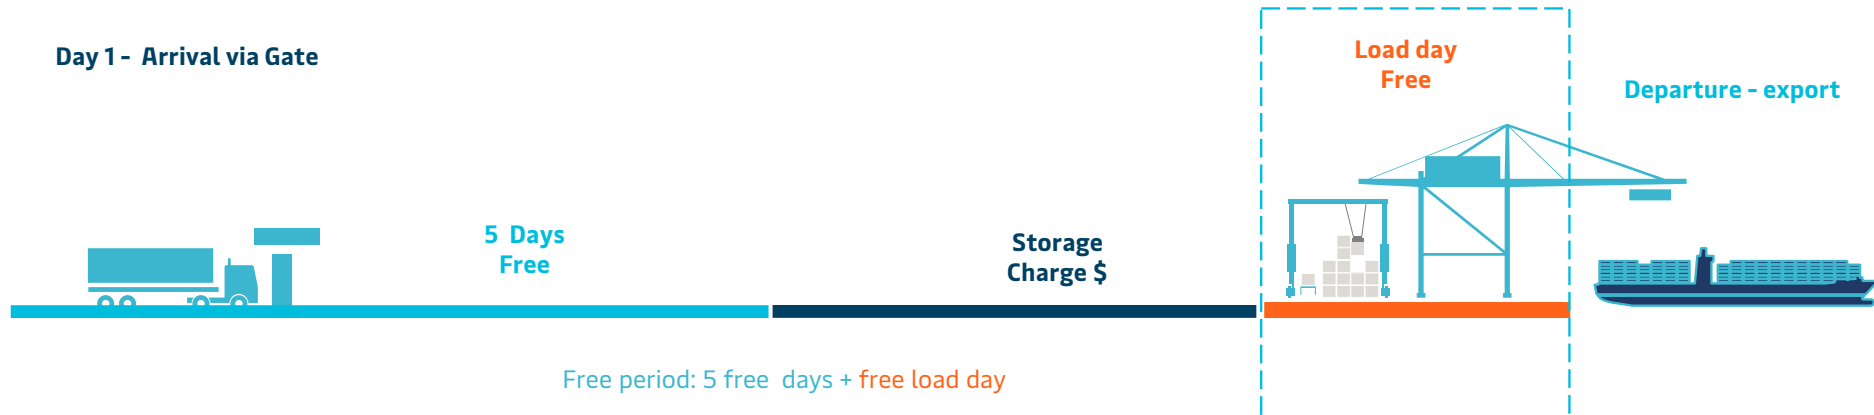

Export units arriving via rail have 6 days free of Port Storage. Calculation of Port Storage time starts on the day container is gated into the terminal and ends the day before container is loaded on a vessel.

Example: Container is gated in on Monday and loaded on Wednesday the week after. Port Storage will be free on Monday, Tuesday, Wednesday, Thursday, Friday, Saturday. Sunday, Monday, Tuesday will be charged storage, then day of loading on Wednesday is free.

Arrival via Gate

Export - Free Yard Storage Indication

See applicable terms and prices in the [Terminal Tariff](#)

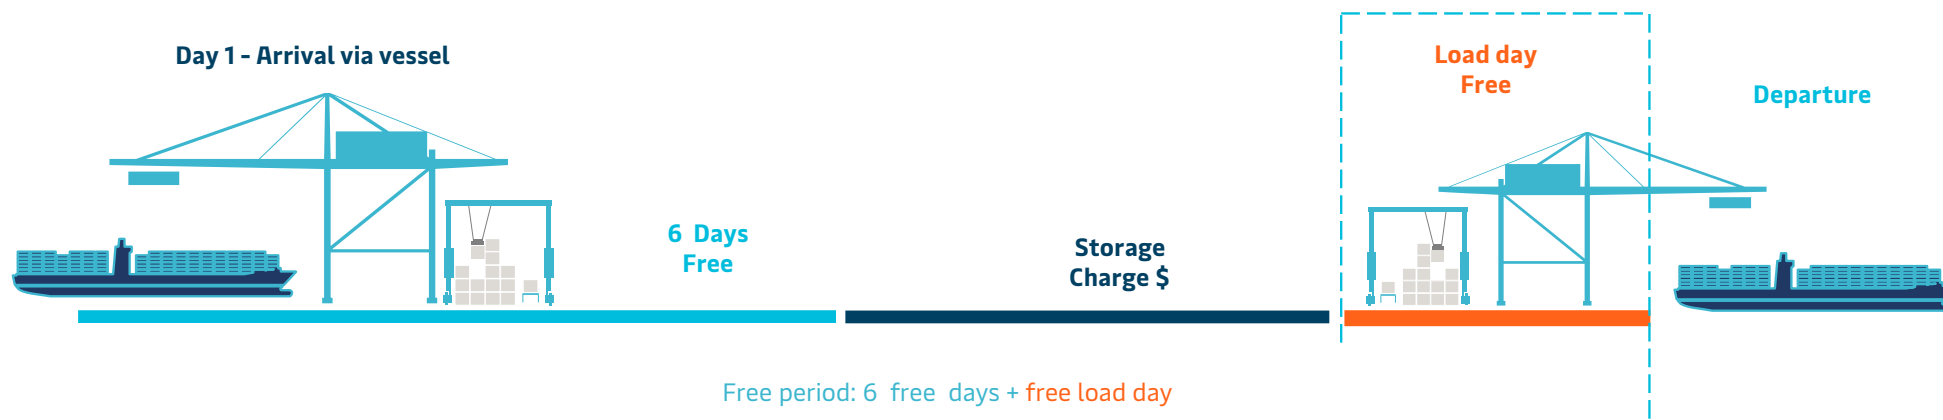

Export units arriving via the gate have 5 days free of Port Storage. Calculation of Port Storage time starts on the day container is gated into the terminal and ends the day before container is loaded on a vessel.

Example: Container is gated in on Monday and loaded on Wednesday the week after. Port Storage will be free on Monday, Tuesday, Wednesday, Thursday, Friday. Saturday, Sunday, Monday & Tuesday will be charged storage, then day of loading on Wednesday is free.

Transshipment - Free Yard Storage Indication

See applicable terms and prices in the [Terminal Tariff](#)

Transshipment units have 6 days free of Port Storage. Calculation of Port Storage time starts on the day container is discharged from vessel and ends the day before container is loaded on a vessel.

Example: Container is discharged on Monday and loaded on Wednesday the week after. Port Storage will be free on Monday, Tuesday, Wednesday, Thursday, Friday, Saturday. Sunday, Monday, Tuesday will be charged storage, then day of loading on Wednesday is free.

Domestic Free Yard Storage Indication

See applicable terms and prices in the [Terminal Tariff](#)

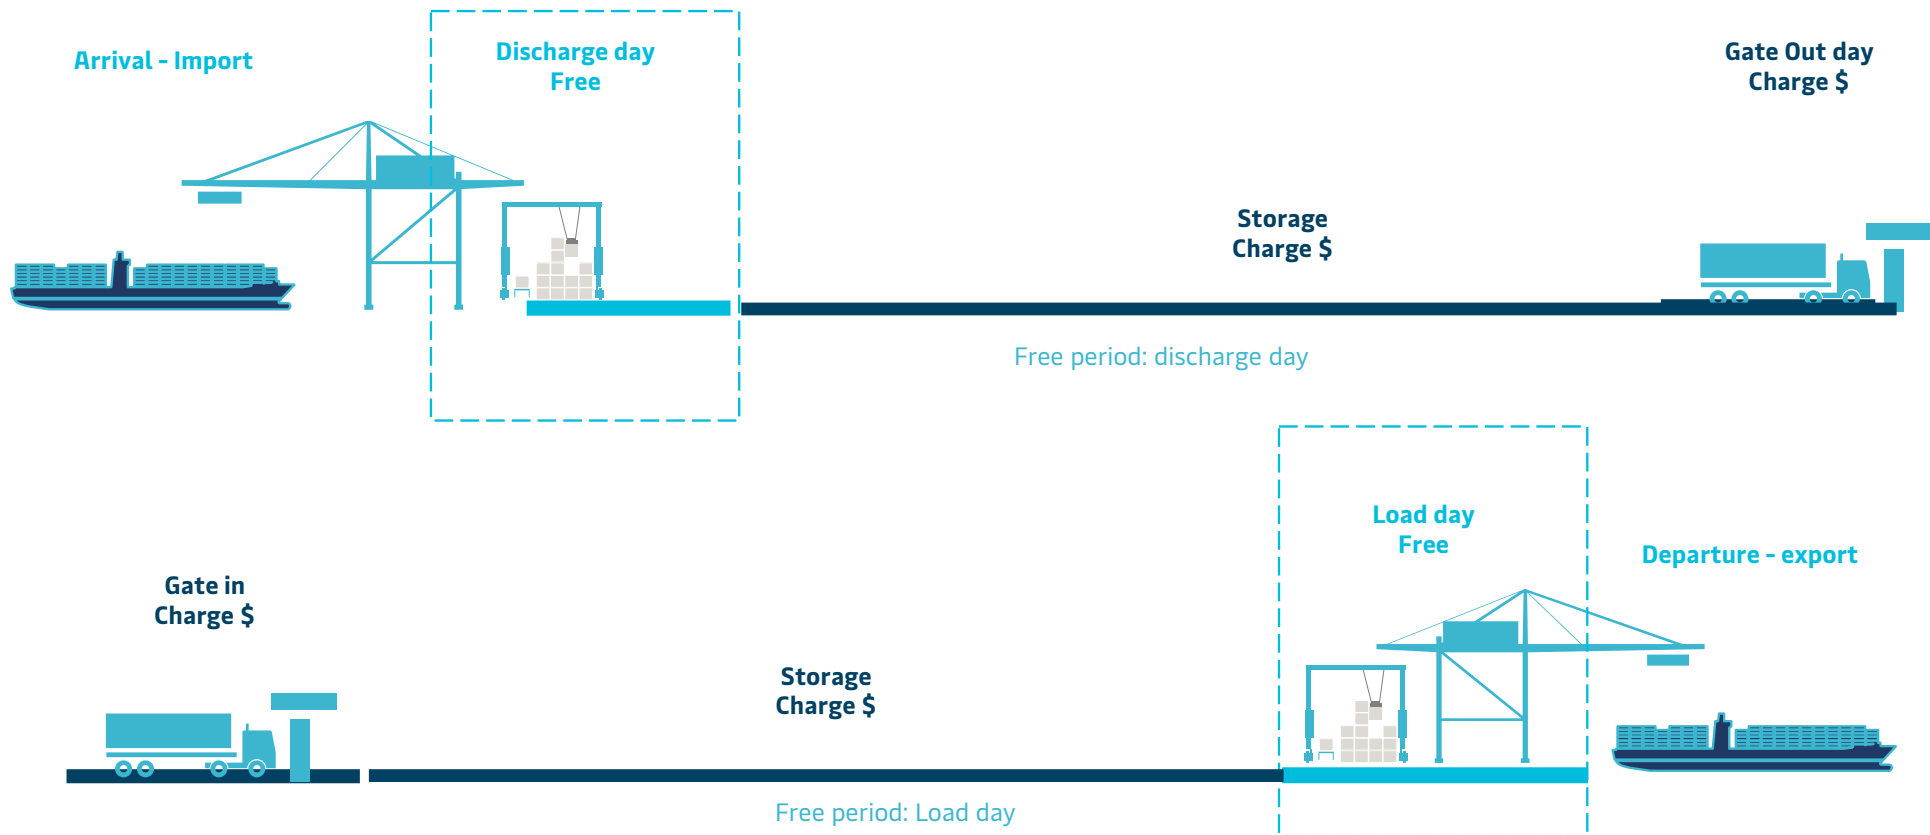

Domestic storage units have 4 days free of Port Storage. Calculation of Domestic Port Storage time starts from the same day from container is gated into the terminal and ends when container is gate out from the terminal.

Example: If container is gate in on Thursday, port storage will be charged as of Monday the week after, i.e. Thursday, Friday, Saturday and Sunday are free.

Yard Surcharges - units containing dangerous goods/OOG units

Indication

See applicable terms and prices in the [Terminal Tariff](#)

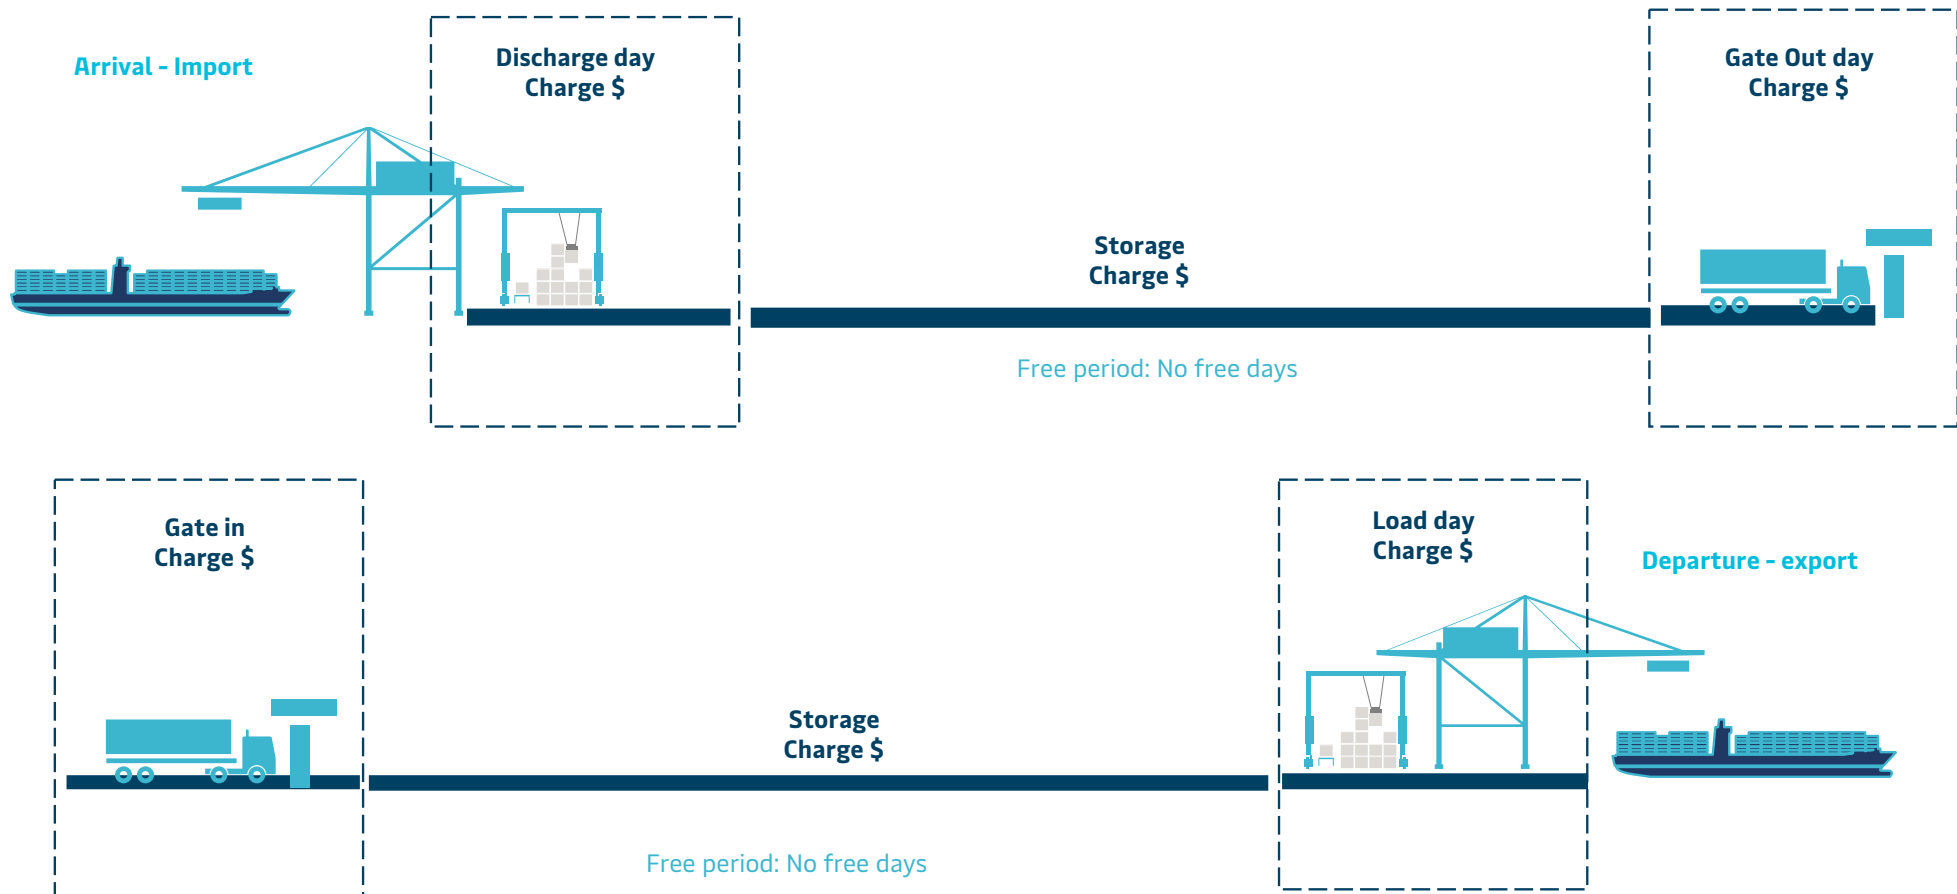

Yard surcharges apply to units in the yard containing dangerous goods and OOG units.

Import containers are charged yard surcharge day after discharge.

Export & Transshipment containers are charged yard surcharge until day before loading.

Yard Surcharges - Temperature controlled units

See applicable terms and prices in the [Terminal Tariff](#)
