

# APM TERMINALS PIPAVAV

## Shoulder-to-Shoulder in Coast-to-Coast Trade

India's growing economy is backed by the growing trade and APM Terminals Pipavav, is completely geared and well-equipped to partner in this endeavour.

Strategically located at the main maritime route, the port provides prominent access to all Cement, Soda Ash, Ceramics and Agri customers in direct hinterland. Along with connectivity to critical cargo hubs in Saurashtra, it is also well connected to South India with multiple coastal sailings weekly, and the shortest transit times connecting important consumption centres.

APM Terminals Pipavav, thus proves to add a geographical as well as a logistical advantage – making it a preferred Green Gateway Port!

### Best-in-class Infrastructure for the Container Business

#### WATERFRONT
