Dear Madam/ Sir,

Sub: Intimation under Regulation 30 (4) Schedule III Part B of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015- Update on Port Operations

This is in continuation of letter dated 18th May 2021 by Gujarat Pipavav Port Limited ('the Company') to the Stock Exchanges intimating about complete disruption of power supply at Pipavav Port due to Cyclone Tauktae and suspension of port operations.

Kindly note the national grid power supply is not yet available and in view of its ongoing uncertainty, the Company has installed a mobile power supply system until the grid power supply is back. The mobile power supply system is being used to power some of the Container handling cranes on the shore and in the yards and Dry Bulk cargo cranes on the shore. With this the Company has started partial operations at the port. The Liquid Berth is not yet ready for use.

The report of the Insurance Surveyors on the quantum of damage to the Port's assets is yet to be received. Once the Company has received the report and gets clarity on loss of the assets, the Company shall inform the Stock Exchanges about it.

This communication may kindly be treated as an intimation under Regulation 30(4) Schedule III Part B of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The letter is also being made available on the Company website www.pipavav.com

Thank you,

Yours truly,
For **Gujarat Pipavav Port Limited**
