

APMT Valencia: IMO Labels

“We help shippers to avoid potential discharge delays and save on additional transport costs by providing a safety zone for placing/removing of IMO labels”

Why choose APM Terminals Valencia?

- Avoid delays in container's ETD
- Possibility for last minute interventions
- Transport cost savings

Please contact our Customer Service department for any further information

“Leave our expert personnel to place your IMO label”

We offer the possibility of positioning your IMO container in a safety zone within the premises of APMT Valencia for the placement or removal of IMO labels for import and export containers, assuring the compliance with the local legislation.

Request Process:

- To request the service, please contact our documentation team.
